## Home Screen

This is a very rough draft of what the Home screen would look like. The Home and Couples and Individuals tabs would be smaller and in purple and would have drop downs next to them like the Professionals menu.

Contact Us button, Member login Button +Search image  
No donate button – not in Oz culture

A slider is where you have arrows or bullets to move onto another image. We would like these to change automatically like for example in the NZ website.

Different Image above with Find a Therapist = Slider 1 Text should be Imago Relationship Therapy Australia

Slider 2 Image and text Find a Workshop (link to Workshops page)

Slider 3 Image and text Become a certified Imago Therapist (link to Clinical Training page)

Slider 4 Image and Text Become an Imago Facilitator (link to Imago Facilitator page)
